

Avon LPC Training Events

February 2014

New Pharmacy Standards

**General
Pharmaceutical
Council**

Find out about the new GPhC standards visits from our local GPhC inspector, Deborah Hylands

What you can expect from the evening:

Deborah Hylands will present the structure of the new visits and the standards to be achieved plus there will be a workshop style Q&A session to understand individual needs

Main Standards:

Principle 1 - identifying and managing risks in your pharmacy

Principle 2 - staffing issues

Principle 3 - pharmacy premises

Principle 4 - delivery of pharmacy services

Principle 5 - equipment and facilities

Reading materials on this topic are available at

<http://pharmacyregulation.org/standards/standards-registered-pharmacies>

These talks are designed to prepare our pharmacies for the event and we would encourage all members of the team to come along as the inspection visit will include all team members.

Book your place today - these training events could be your most important CPD this year
