# Unity Sexual Health is a new NHS led partnership of seven healthcare providers.

It has been formed to provide a comprehensive and joined up sexual health service to people living in Bristol, North Somerset and South Gloucestershire.

Our mission is to empower local people to enjoy healthier relationships and sexual wellbeing.

## The eight partners that make up Unity are:

- University Hospitals Bristol NHS Foundation Trust (lead provider)
- British Pregnancy Advisory Service (BPAS)
- Brook
- The Eddystone Trust
- Marie Stopes International (MSI)
- North Bristol NHS Trust (NBT)
- Terrence Higgins Trust (THT)
- Weston Area Health Trust (WISH clinic)

We are working together on your behalf to provide a safe and effective service.

## Unity Sexual Health provides the following free and confidential services:

- Sexually transmitted infection (STI) testing and treatment
- Contraception care
- Pregnancy advisory services

See our website for the full range of services offered and opening hours.

## Confidentiality

Your confidentiality is very important to us. The information that you share will remain confidential within Unity. However, this may not apply if we become concerned about your safety or the safety of another person. We will make every attempt to discuss this with you. If you need to be referred to a different service outside of Unity, or if your GP needs to know about your care, then we will ask for your permission first.
